Saturday October 19, 2024 - Wednesday, October 30, 2024

The tour goal is to expose you to Italy in the most enriching way possible. There will be a good balance of group sightseeing, events, and individual leisure time. Please expect to do a significant amount of walking and standing during some of the guided events. In Italy, it is wise to expect the unexpected, so schedules are subject to change. You are encouraged to consider travel insurance for both the tour fee and airfare. In signing this form, you acknowledge that traveling has its inherent risks and therefore it is understood and agreed to that Vince L. Mottola, Carla Mottola, Mottola Italian Tours and Vince's Enterprises, Inc. cannot be **held liable** for any uncontrollable event during the trip.
